Hi Samuel,

I have managed to download all fifty voicemails from Fiona Harvey onto an SD card as well as writing an in depth document outlining particularly threatening/aggressive moments and where to find them in the mp3. In the space of four days she has sent me roughly four hours and twenty minutes of voicemail.

I am not sure whether you have been trying to call me today. Due to my phone now blocking unknown numbers, I fear it might now be blocking yours as well unfortunately. Can we use email or arrange a time to speak on the phone tomorrow?

Let me know and thanks again for earlier.

Richard
